# What guests really think

---

**1** "Even when I ask in English, it doesn't get through."  
🌐 Chat in your own language – AI translates.

**2** "I don't want to install an app."  
📄 Just scan a QR – no sign-up needed.

**3** "I hesitate to ask late at night."  
🕒 AI responds 24/7.

**4** "I'm worried about billing trouble."  
📄 Chat history stays as a record.

# Hotel challenges & solutions

## Challenges

- Staff shortage
- Training cost for multilingual support
- Burden of late-night support

## Solutions

- ✓ AI handles first response
- ✓ Hand off to staff only when needed
